DRAWING LESSONS: step by step

Known as "Project X," Walt's original plans for Epcot the "Experimental Prototype Community of Tomorrow" included a citywide monorail system, a climate-controlled city center, and a community open to "the new and emerging technologies of the future," as Walt explained. Taking cues from video game music and IDM, the Polish beatmaker molds brittle loops and rusted samples into a harsh, abstract otherworld.

Cyclopaedia of Modern Travel: A Record of Adventure, Exploration and Discovery for the Past Sixty Years

From that which appears a mere truism when first stated, they will find very singular consequences sometimes following, - consequences altogether unexpected, and of considerable importance ; I will not pause here to dwell on their importance, nor on that of the thing itself to be done ; for I believe most readers will at once admit the value of a criterion of right and wrong in so practical and costly an art as architecture, and will be apt rather to doubt the possibility of its attainment than dispute its usefulness if attained.
