His rendering was printed, for private circulation only, I believe, several years later, but will probably be new to most of my readers. It is hard to critique Pannenberg here in that not only does he not provide evidence for his claim, but he does not even provide any examples of what these legendary elements are. The present study aims to analyse the spatial distribution of microcephaly cases in Recife which is in Northeast Brazil, and its association with the living conditions in this city.
