Your Duolingo course has already taught you to intuitively distinguish some of the fundamental grammar patterns. Fight scenes can involve performers in fistfights or other unarmed combat or the use of knives, swords, firearms and other combat equipment. You have to put the plot on hold, and overlook the contrivances of the last half hour, and find a way to admire how De Mornay plays the big scene, even while despising the scene. However, studies from the latter half of the century found reason to challenge this terminology.
