I went to school to be a Christian minister. In the early s, NASM began designing an exhibition which would attempt to show this event from both American and Japanese perspectives, whilst also placing the event in the context of threat of nuclear destruction during the Cold War. Linenthal NASM became embroiled in a controversy with several large US veterans' associations over how the aircraft should be displayed, and what meanings the bombing should be given. I talked it over with my family, an attorney, and my friends, and they all agreed it was some sort of scam. In order to assess communication processes in a transdisciplinary research alliance, a process screening questionnaire has been developed that can be easily evaluated and thus allows timely feedback to the actors.
