It seems more likely, however, that Paine's distinction between natural rights, where we necessarily have the power to execute the right as in the right of conscience against rights where we need the arm of society to secure the right as in property although more sharply expressed in Rights of Man is a product of discussions with Jefferson and French sympathizers with America in the late s, when they were discussing the proposed Federal Constitution and its failure to contain a bill of rights. Suharto presided over the killing of more than 1 million Indonesians in the bloodbath that began in and of East Timorese, one-third of the entire population,

beginning in see Chapter 7. The social sciences and the direction taken by the contemporary economy point to the same conclusion. EmpireofAshIII[citationneeded].
