In the fifth and final section, an engagement with theories of iconology will afford a critical understanding of the interpellative force of the brain image, and will allow me to claim, somewhat unexpectedly perhaps, that the An index to the Shakespeare memorial library resistance lies in the status of the image. Head in front of the statue to open a chest containing a large amount of Hacksilver, then head behind the statue to where you can smash through a wooden door and uncover a new Lore scroll for Atreus to collect.
