The Globalization of Ethics: Religious and Secular Perspectives (Ethikon Series in Comparative Ethics)

But the Charter had other, hidden, aims: to encourage unity among moderate Islamic organizations and marginalize the Union, which was perceived as too politically radical. Consequently, although the Union signed the Charter, the Home Ministry, citing controversial statements by some Union leaders, declared this signature meaningless, resulting some years later in the Union being excluded from the Committee for Italian Islam causing difficulties at the local level, where having signed the Charter was considered - especially by right-wing local administrations - an indispensable requirement for opening places of worship. With illustrated glossary, index and measurement tables.
